

Case Study

**Bone line restoration – Socket preservation after extraction.
Standard care Vs. Treatment with ReGum™ Vet**

Dr. Jerzy Gawor, DVM
PhD, Dipl AVDC, Dipl
EVDC, Fellow AVD

Without ReGum™Vet the bone is absorbed and the bone line is decreasing.

With ReGum™ Vet the bone line is restored

Jerzy Gawor, DVM (Korea 24-Jan-2024)

ReGum™Vet aids in restoring the bone line.

A comparison study conducted by Dr. Jerzy Gawor.
